

Webquest: Fast Food in Japan

Look through the Japanese Fast Food websites. You don't need to understand all the writing, some of the sites have English, and all of the sites have pictures. Click away!

Copy the questions and write the answers into your Japanese book.

Don't forget the heading, a margin and the date.

1. What famous fast food restaurants are also found in Japan?
2. What fast food restaurants are new to you?
3. What are the current Happy Meal toys available?
4. What differences are there between KFC in Japan and Australia.

If you need to, you can have a look at the Australian menu at <http://www.kfc.com.au/Default.asp?page=/menu>

5. What is one of the stranger pizza flavours you found, which restaurant did it come from?
6. How much is the medium basil tomato pizza at Pizza Hut?

Go to <http://www.xe.com/ucc/> to find out how much in Australian dollars.

What do you think about this price? How does it compare to the price in Australia?
