

Animals at Home: Writing Task

Module: Animals at Home
Unit: Wildlife Park
Field: Natural World
Band: Upper Primary

TASK 1:

Design a plaque for a zoo enclosure for your chosen animal to give details in either English, romaji or kana on the following:

1.	Name	namae	なまえ	
2.	Continent of origin	tairiku	たいりく	
3.	Habitat	seisokuchi	せいそくち	
4.	Physical Characteristics	Karada no tokucho	からだのとくちょう	
5.	Diet	tabemono	たべもの	
6.	Ways to protect itself	Karada wo mamoru hoho	からだをまもる方法	

CRITERIA SHEET: Composing: Writing

<u>Level</u>			
1	With the support of a hiragana chart, label items and write set phrases used regularly in class.		
2	Can write phrases or short sentences based on models occasionally referring to a hiragana chart. Can contribute to the production of simple texts using hiragana and a few familiar kanji.		
3	Can write a few linked sentences in hiragana on familiar topics, using well-rehearsed language to cover basic information and write a simple report following a model. Able to include familiar words in katakana and a limited range of kanji.		
<u>Phase</u>	D: having difficulty	B: Beginning	P: Progressing
	M: Meeting level requirements	WB: Working Beyond	

TASK 2:

Based on the results of your research, design a suitable zoo enclosure for your animal. The design must be:	
<input type="checkbox"/> Neat	<input type="checkbox"/> 1
<input type="checkbox"/> Clearly labelled in English or Japanese	<input type="checkbox"/> 2
<input type="checkbox"/> On A4 paper	<input type="checkbox"/> 3
Provide a picture of your animal. (hand drawn or picture)
